

Official Action, and an abstract has been added on a separate sheet to place the application in condition for allowance at the time of the next Official Action. The requested block diagram or flowchart is also being prepared and will be provided in the supplemental amendment.

The indication that the claims include allowable subject matter is acknowledged with thanks. The original claims have been replaced with new claims that are believed to be proper as to form and that are intended to include the allowable subject matter.

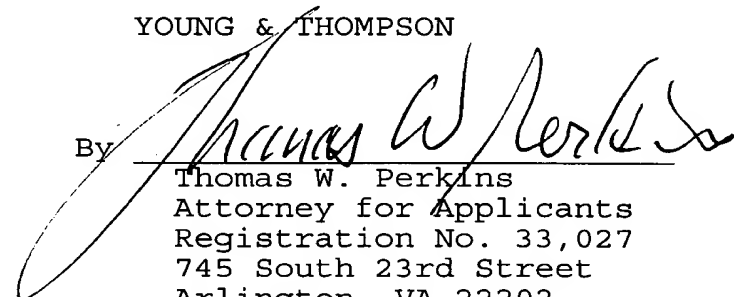

The literature references in the specification are considered part of applicants' disclosure and are not incorporated by reference.

It is believed that the present application will be in condition for allowance upon submission of the supplemental amendment.

Respectfully submitted,

YOUNG & THOMPSON
